

MAXIMILIANO TOMÁS GOMEZ

ABOUT ME

I am 22 years old, living in Hurlingham, and currently studying at the National University of Hurlingham (since 2021). I have completed all coursework with a GPA of 9.11 and am now working on my thesis to obtain my Technical Degree in Programming.

I am passionate about learning new technologies and staying up-to-date with industry trends. I constantly seek opportunities to challenge myself and grow as a developer.
